Awards and Achievements

Award for Best General Classroom Resource

The Education Resources Awards, 2018

I have produced and developed the award-winning Customised Exercise Book product and its associated marketing campaigns.

Five-time completer of the NaNoWriMo Challenge

NaNoWriMo, 2014, 2016, 2017, 2018, 2021

NaNoWriMo challenges writers to produce a 50,000-word novel across the 30 days of November.

Personal interests

-  Creative writing (particularly novels)
-  Electronics, including building custom video game systems and arcade machines.
-  Mechanical keyboard design and production.
I designed and sold a mechanical keyboard product across four continents.
-  Music and performance, including playing the guitar and songwriting.
